DX-100

Amazing USB Digital Drum Set

compact electronic drum system. In just minutes, you'll be providing the backbeat to your favorite tunes—rock, funk, jazz, hip-hop, dance, symphony, latin music, the blues and more!

With its innovative "tone effect" the DrumXtreme™ guides beginning drummers in developing their skills with the snare, tom, hi-hat, crash, and ride—with plenty of drills and exercises to sharpen your drumming skills. DrumXtreme™ can make your dream of becoming a drummer a reality.

The DrumXtreme™ system includes a software tutorial that's great for new drummers—or for experienced drummers who want to sharpen their skills and improve their performance. Includes 1 DX- 8 cymbal pad, 4 DX-5 pads, a DX-6 Kick Pedal, DX-BOX audio host, stand, drumsticks, all cables and full user's guide. Play along with pre-recorded scores, or play your favorite hits— and you're the drummer!

The hottest new gift for anyone who loves music—and anyone who wants to learn to play. Ideal for even young children! Quality construction, simple to assemble and store!

System requirements

- IBM compatible PC
- Pentium II 300MHz or higher with at least 128 MB of memory
- Microsoft Windows® XP, Windows® 2000, Windows® 98SE, or Windows® ME
- CD-ROM: 8X speed or faster
- Keyboard & Mouse
- USB port (either USB 1.1 or USB 2.0)
- VGAc compatible display (or higher)
- Direct X video/graphics & sound-card drivers
- 100MB of free hard-disk space for software installation
- Sound Card
- Speakers or earphones

USB Digital Drum Set

A fantastic sounding digital drum set that plugs easily into your computer's USB port. Just hook it up and you're on your way to becoming an experienced drummer. If you don't want to annoy the neighbors just use the computers headphone jack for "quiet" practice. Comes complete with all accessories, software tutorial and CD video to get you started.

DrumXtreme™ DX-100 Features:

- Complete 'drum rack' easily configures to optimum personal playing positions
- Easy to assemble
- Requires smaller area to use than acoustic drum set
- 7.5" pads with sensitivity adjustment
- DX-8 cymbal pad has 'choke' capability while playing crash or ride
- 5 pads included, up to 6 pads supported (included in DX-150)
- 1 pedal included, up to 2 pedals supported (included in DX-150)
- 110 drum instrument samples
- 14 preset drum sound banks, that are fully user configurable
- Create up to 99 total sound banks
- High quality sound technology
- PC-based operation offers easy to follow video & software tutorials
- Includes PC drumming 'game' with three levels of difficulty
- Ideal drum teaching system uses colors on the pads and onscreen
- Software upgradeable

Standard accessories included:

- 1x DX-8 cymbal pad (dual trigger)
- 4x DX-5 percussion pads (single trigger)
- 1x DX-6 foot pedal
- 1x DX-BOX audio host
- Stand
- One pair drumsticks
- CD for tutorial program and application software
- CD with music for drum score
- Cables and documentation

Software includes:

- Innovative software applications
- Educational games
- Instructional video with professional drummer

Optional upgrade pack (DX-50) for DX-100 includes:

- 1 x DX-5 percussion pad (single trigger)
- 1 x DX-6 foot pedal
- 1 x connecting rod and assembly pack
- 2 x cables

Featured Benefits of DX-50 upgrade:

Additional pad provides a customizable percussion trigger (toms, cow-bell) or cymbal trigger (example: ride, crash, splash, or china)

Additional pedal gives Hi-Hat open/close control, or alternatively acts as a double bass pedal
